

FAPS 2021: Learning Today...Leading Tomorrow

Fenton Area Public Schools, in collaboration with our community, is committed to educational excellence and to developing lifelong learners who are responsible citizens in a global society.

| Goal Area: Support and Development | Goal Area: Community | Goal Area: Stability |
|---|---|---|
| <p>Fenton Area Public Schools will seek and deliver innovative and diverse curricula, instruction and assessments that grow the capacity of our students and staff.</p> | <p>Fenton Area Public Schools will strengthen and build relationships within our school community and beyond.</p> | <p>Fenton Area Public Schools will responsibly invest resources in personnel, systems, and facilities.</p> |
| <p>FAPS will develop a district-wide PK-12 multi-tiered system of support that includes strategies and supports for: high-achieving students, at-risk students and social-emotional learning.</p> | <p>FAPS will use all available resources to showcase and market our school district as an exemplar district.</p> | <p>FAPS will promote and provide a safe and secure learning environment for all students and staff.</p> |
| <p>FAPS will increase opportunities for professional development for staff and educational opportunities for families.</p> | <p>FAPS will foster positive partnerships with multiple community entities to strengthen our academic programs to support educating the whole child.</p> | <p>FAPS will design and implement a process for continuous curriculum review and adjustment.</p> |
| <p>FAPS will increase staff collaboration, both vertically (Young 5 through 12th grade) and horizontally (within grade level and subject-area).</p> | <p>FAPS will develop a strong network of communication that uses identified, preferred means in order to provide support for our school community.</p> | <p>FAPS will invest time and resources to develop, increase, and support opportunities for teacher capacity.</p> |
| <p>FAPS will align its PK-12 curricular resources and assessments in the areas of ELA, math, social studies and science.</p> | <p>FAPS will develop a sense of unity among our six buildings, and across the school community, to enhance positive learning environments for our students.</p> | <p>FAPS will continue to take focused and transparent steps to strengthen its financial standing.</p> |
| <p>FAPS will develop a robust technology plan that supports: student data management, instructional technology, assessment systems and alignment, emerging technology, professional development and student access/use of technology in a variety of learning environments.</p> |  | <p>FAPS will design and implement a targeted and transparent plan for the purchase and use of technology in classroom instruction and district/building management.</p> |
