

Learning Today...Leading Tomorrow

#WeAreFenton

FENTON
AREA PUBLIC SCHOOLS

December 9, 2019

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2018-19 educational progress for AGS Middle School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Eric Rettenmund for assistance.

The AER is available for you to review electronically by visiting the following web site

<https://www.mischooldata.org/SchoolIndex2/SchoolOverview.aspx?SchoolLevel=Middle%20School&LocationId=S,5254,1133,80&LocationCode=25100> or you may review a copy in the main office at your child's school.

Our school is a comprehensive middle school housing 6th-8th grade. We are in our eighth year of our AGS School Improvement Plan, and are continually tweaking our goals, such as adding a goal that addresses 6th-8th grade career preparation and readiness. We have habitually kept strategies that work and removed/replaced ineffective ones. We currently follow the Common Core Curriculum in Math and ELA, and the New Generation Science Standards; these curriculum standards can be found on our district website.

We also have in place a three tiered intervention system that assists academically and behaviorally at risk students. This system also helps identify students eligible for academic enrichment. We feel our students leave our school prepared and ready for high school. We strive to give our students a rich educational experience and foster a sense of belonging in our greater community.

Sincerely,

Eric Rettenmund, Principal
AGS Middle School
